I worked with Chuck at Perdue. He was a hard worker he came before his shift started and stayed after he should have left. He came across gruff sometimes but he was gentle person with a heart of gold. He wouldn't want to hear me say that I am sure. lol the drivers thought a lot of Chuck and even some of the carriers that he would call 1 or 2 in the morning to wake them up to see where their driver was. He was well thought of and will be missed. thoughts and prayers to the family
