The Woodland community surely has lost a wonderful lady. Shirley was one of the kindest, most thoughtful persons. She was especially kind and thoughtful toward my mother, Ginny Tull, for many years and often drove out of her way to take her to church. That feeling was mutual. My husband and I send sympathy to her family as they face this time without her, and we hope they can rely on their faith and happy memories for comfort. God bless you all, Jeanne Conner

I first met Shirley several years ago when a group from Woodland UMC joined the Bethel UMC Bible study. I am so grateful for having know Shirley. She was a friend, mentor, teacher and a true child of God. She brought something special to our studies each week. She never complained and was thankful for each day the Lord gave her. I feel such a deep sense of loss, knowing that she has moved on without us. I know her spirit will be pushing us forward to learn, to love and to lean on each other in times like these. I will miss her so much, but there is no doubt in my mind where she now resides. Carol Travers Bethel United Methodist Church

My name is Terry Hollis, I worked at SCI, this is where I met Shirley. Shirley was wonderful to me when I transferred from Smyrna. I worked the front counter for years, I would always kid around with Shirley when she was going in or out. A wonderful woman, and very kind hearted. I know she will be missed by family and friends.

She was a great Sunday school teacher. We're going through the whole Bible. Started in Genesis and got halfway through Ezekiel before she passed away. She knew her Bible real well. I started in her class when I was 18 years old, She was nice to everyone and a good MYF leader, She'll be missed by everyone at Woodland UM Church.

Shirley for twelve years was part of my classmate family. I feel a great loss at her passing; and yet I know she is with Jesus Christ just as busy as evertaking piano lessons from miss Spicer, helping others with their math, organizing. She will be missed!

She was walking us through Ezekiel in Sunday school. Such a great teacher with so much knowledge! Such a kind neighbor who took my husband to church when he was a boy and moved on down the line taking our son to church when we could not make it. She always had time to talk with our girls and see how they were doing. Sara always wanted to go into the adult Sunday school to talk with " Miss Shirley." She is greatly missed by our family!
