Susan was a good supervisor, and an especially nice person to speak to. I never had to wait long for a response, when a problem occurred. She kept a great crew, and efficient was her middle name. She will be greatly missed, and our condolences and prayers are with her family.

My prayers and condolences are with the Milligan and Scott family during this difficult time. I worked with Susan at H&M Bay Inc for the past couple of years. Her and I were the only females working the dock and she was highly respected. I will miss her smiling face and jovial greeting early Saturday mornings. RIP Mrs. Susan! Nikki Hammond
