Sending thoughts and prayers to Mary Ellen's Family. I grew up with her family and worked with her and her family for year's at Woolworth. Just saw her around Christmas time and shopping at Barton's will not be the same without her. She was a bright ray of sunshine to everyone that knew her and she will be greatly missed!!

My deepest condolences to Mary Ellen's family. I worked with her and her mom at Woolworth 30+ years ago. She was always so much fun and always happy! We reconnected again when I saw her at French's...she always had a smile on her face. God bless and keep you!

This picture of Mary Ellen reminded me of the time she walked to my school and rode the bus home with me. I was so proud that my big sister was riding home with me. I am missing my big sister.

I am so sorry to hear about Mary Ellen. We went to school together, became friends, and then i took care of her two girls when they were younger. She was such a sweet person, who took a genuine interest in others. I will be keeping the family in my thoughts and prayers.

As cousins, we spent a lot of time together. I have played with her, worked with her, and went to church and school together with her. She taught me how to play solitaire and crochet. We sorted potatoes for 10 cents a basket and worked in a chicken house. She was always fun to be with and made me feel like I belonged (I was very shy). I still chuckle to myself when I remember how she use to get down on her knees and beg my mom to let me spend the night: "please, please, please Aunt Doris." Lol. We attended Stein Hwy Church of God, attended Seaford High School, and worked at Woolworth together. I even babysat April for her. As time went by, we didn't get to spend as much time together due to schedules and whatnot. I always looked forward to seeing her when I had to pick up something at Woolworth or Bartons. Mary Ellen was a very special person, and she holds a very special place in my heart. I look forward to seeing her in heaven some day. I love you cousin!!!

We used to work together at Woolworth's when I was in high school. Every Tuesday night when she and I worked late we would go go Pizza King in Seaford and have a thick crust pizza and talk about everything! And laugh and laugh! Fast forward 30 + years and my sister Tracy starts to work at Bartons in Seaford. After a few weeks she calls and tells me that she's working with Mary Ellen!! Wow! Small world, indeed. Over the last two years we have been friendly and I am truly thankful I was able to see her again. My sincerest sympathies to her family and close friends.
