My dear Edna I have miss you so much. When I moved I was sad to have left you when our friendship had just started. My best time we had together was standing in line to get our teeth done out in the cold 3am and laughing at anything we could to stay warm, you and me bundled up together and making a great memory. I will miss you when I come home to see everyone. You will be in my heart and in till I see you again , we will have a good laugh about life. To the family, I am so sorry for your loss, Edna was a great lady. My prayers are with you. Dear Lord Please help this family though this lost, bring there hearts together, love one other, stay strong ,I know Edna is standing next to you and telling you who needs the most help and let them know "I am all right". Lord I thank you for all you give and all you do in Jesus name Amen

Cousin Halina and Leon I know this will be one of the hardest things you will have to deal with in life. Im not going to tell you to be strong but to keep faith and God in your heart. He will give you the strength to move forward.. I know it hurts and I know the pain will last a long time just remember you have each other and family to you through this and we will keep praying for you.
