John played such a big role in my childhood. He loved life and was quick with a laugh. His singing voice was so beautiful, even when singing the Hawaiian wedding song my mom requested for my wedding. He will be missed.

Terri, Angie and Shelley: Unbelievable, one of his favorite words! He was a man much appreciated and valued not only by our company but by Culligan International. His witty demeanor and extensive water treatment knowledge and mechanical abilities coupled with a smile delighted many customers and fellow employees. John was a gentleman and will not be forgotten by those of us who were fortunate to work with him, especially his voice. The world lost a really good guy!
