Allison was a sweet woman. I got the pleasure of working with her at Walmart when I first started. She didn't really conversate with me much until she found out I had two children, and then all we ever talked bout were my kids and her grandkids. She was absolutely adoring of her grandchildren. And she had such a calming personality, truly send my condolences and my prayers for her family! So sorry for your loss! She'll be greatly missed!

Jim and Jamie so sorry for your loss. Allison will be missed. I have a lot of fun memories of Allison when we worked together at FHR, that I will always hold close to my heart. One of them is the day it was curb trash pickup in Seaford and we would look for treasures. I still have the night stand she found for me and my mom refinished it. Allison, was so excited she found that. Every time I would see her at Walmart, we would always talk. So sorry Love, Shelley Short
