So saddened to hear of Nancy's passing. Many fond memories of 1960 class of SHS doings that involved Nancy. She was always in the middle of things back then. My deepest sympathy to Nancy's family.

I am so saddened to hear of Nancy's passing and we send our love and strength to Jill and her family. She had such a wonderful spirit and I always looked forward to being around her when she visited the Skovira's home. I only knew her for a short 3 years, but she had such embracing warmth, strength and wickedly funny sense of humor that being in her presence made it feel like a much longer relationship. I will always remember her warm greetings and the ever so present twinkle in her eye as she engaged in conversation and story telling around the dinner table. Heaven has a special angel.Love and strength,Susan Knoll and family

Nancy Adams . . She was my mentor when I reported to Adams Oil Company (1978) for Co-Op from Seaford Senior High School. She taught me how to use the old time BIG Bookkeeping Machine and so much more. She was always a joy to be around and welcomed everyone into her home. When I was married to Mike Lambert, I met and became fond of so many Adams' family members, but Nancy was one of my favorites. So many memories!
