Phil thank you for taking care of mom, and always putting her first. I will miss your sense of humor and how you were always joking. Those McDonalds trips with Scarlett will be missed. We will also never forget the beautiful wood products you made. We will treasure those forever. We will miss you dearly. Love, Karen & Scarlett

Phil was a great resource to me as a candidate for office and an elected official in Prince George's County, Maryland. His knowledge of the insurance industry and their practices was invaluable. He had an engaging personality and was a very kind and respectful person to all. We're forever appreciative of the empathy and understanding he showed to my children. God rest his soul and we are reminded that the world can use more Phil Marletta's. Jim & Nancy Estepp
