From a fellow classmate of Oakmont, 1955. Carl was with a wonderful group of students who traveled every school day from Indianola to attend Oakmont High School. We made friends together and valued our time that they were with us. I recently heard of Carl's illness and have prayed for him. Rest in peace and love knowing all those who cared. My best to Kathy and all the Bergmark family. He was a good person and will be missed. Carl, longtime friend, rest gently and peacefully. We shared many adventures while growing up together in Indianola and kept in close touch over the years. A friendship such as ours provides me many great memories that I treasure! ❤️ Gene Ross
