Lily worked for me many years ago. She had a bright spirt and was one tough girl. She had some hard times back then but her spirt always shone through. I'm sorry for your loss and hope, in this painful time, that your family has many loved ones close at hand.

The thing I will remember most is your laugh! You loved to laugh at everything. You like to not take everything too seriously and just make light of it have a good laugh about it. That's a good way to be. Rest easy cousin. Whenever I think of you I will see you when we were kids and you'll be laughing and that will make me smile!

Lillie' s greatest joy was being Anthony's Mom. So sad it was cut so short. I will miss her smile and her laugh dearly. Rest in peace Lillie.
