My Dad's (Phil) childhood friend. They grew up together @ Double Mills near Mardela Springs. The mill is now an historical site thanks to the efforts of Spuck. They went to school together at the one room Snethen School House still located at Snethen United Methodist Church. Dad always called him Bryan. My Dad liked the name and thus my name even though I spell my name with an I, not a Y like he spelled his name. I always called him Mr Bennett as my teacher at Seaford Senior High School. I had a real nice visit with him just before the Covid nightmare. That will be a longtime memory for me. He has entered into a well deserved rest. God's speed Mr. Bennett. Seems unbelievable that I've known Spuck Bennett for about 60 years and in several roles...wonderful teacher, competent boss, and good, good friend. He was a loving husband and father, as well as a devoted citizen of Seaford. The world was made better by Spuck Bennett, and he will surely be missed!

I first learned of Spuck Bennett through my brother Glen who was friends with Bruce. I enjoyed my friendship with Spuck through my membership in SVFD. Spuck would come up to the firehouse almost always for Wednesday Night meetings. At these meetings he would offer his knowledgeable input on different issues. Spuck was a very good and classy man. I am forever blessed by his friendship. I hope our Heavenly Father is ready for a ride around on a Harley!. May God Bless You All, Todd Odor
