Kay was a very dear friend of mine who I had the pleasure to work along side with for several years working for Harris teeter. She was a fantastic Baker and extremely dedicated to her job. Her customers loved her!!! Kay and I would talk for hours about everything in our personal lives, She was a friend and a sister to me. Her fellow friends and associates were just as hurt by the news of her passing. May she rest in peace!! My Dear sister and friend, I will see you again ❤️ Love christa
