Just yesterday my husband and I were talking about how there was never a restaurant in Rehoboth that we ever loved as much as the Avenue. No food ever tasted as good. The fried slipper lobster was a favorite. And now today to see that Mrs. Ames, the chef has passed away. Without ever having met her, I just had to say how much pleasure she brought so many people. I express my sympathies to you. Lorraine Rose of Rehoboth Beach

Robert, I am so sorry to hear of the passing of your mother. Although I did not know her personally, having read the tributes, and, having growing up with you and knowing the person you have become, I can see she was a remarkable woman. We will keep you and you family in our thoughts and prayers during this difficult time. John W. Dean IIMilton, DelawareUSA

Mrs. Juanita brought So much joy to so many of us as youngsters growing up in Rehoboth Beach ! She was always very welcoming to friends and I while visiting her community center, which was a great gathering place. May peace, love and blessings be with the Ames family.
