Linda S. Durham

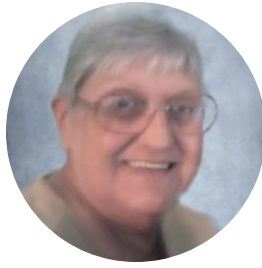

SEP 29, 1950 - AUG 17, 2021

Linda S. Durham, age 70 of Seaford, DE, passed away peacefully with her son by her side on Tuesday, August 17, 2021, at TidalHealth Nanticoke, in Seaford, DE. She was born on September 29, 1950, in Baltimore, MD, daughter of the late Wilmer and Mary (Johnson) Ennis.

Throughout her life, Linda enjoyed a love of sewing and knitting, creating beautiful pieces that brought joy to all. She was known for singing "Happy Birthday" in her own very special way. Along with her talented birthday voice, Linda was self-proclaimed Elvis' number one fan and would get weak in the knees when she heard his voice. Linda was loved by many and will be deeply missed by all who knew her.

In addition to her parents, Linda was preceded in death by her sister, Pat Hazelwood (Ennis). She is survived by her beloved husband, Amiel "Chuckie" L. Durham, Jr. and her dog, Tubby; her son, Danny Plato and his wife Claudia and their two children, Dylan (Courtney) and Clarissa (Tyler); her sisters: Marie Williamson (Ennis) and family, Wilma Heflin (Ennis) and family; her sisters-in-law, brothers-in-law, nieces, nephews, cousins, and very close friends that are considered family.

A celebration of life will be held at a later date.

Linda, my big sis. I don't know where to begin. We shared everything, our clothes, our birthday (4 years apart to the day). I always told you that I was the best birthday present you ever got. I sorry it took me awhile to write this, I can't really believe your gone. I miss you so much. You wasn't supposed to leave me yet. I wasn't ready for you to go yet. But you are not in anymore pain and can breathe freely now. You will always be in my heart ❤️. I love you to the moon and back. R.I.P. my dear sister, your baby sister, Wilma

Aunt Linda, where to start..... thank you for always being you! I will miss our conversations and you just listening to me vent! You loved me without judgement and randomly made sure that I knew! For that I will be forever grateful!❤️ You absolutely held the title of Aunt and often went above and beyond. I will always think of you when I eat a double chocolate donut and coffee! And whoever said Aunt Linda could cook we need to talk (I remember the early days) 🥺🥰 I love you Aunt Linda, until we meet again.

She was my Auntie Linda and I was her BooBoo. My auntie may be in heaven above dancing with Elvis (don't break a hip woman), but here on earth she will be greatly missed. There was never a dull moment from her legendary happy birthday song to the best homemade Christmas cookies. She was always there she may not of had alot to give but her advice and wisdom was the best even if you didn't agree, she was right. She loved her family so much and we loved her just as much. He laugh would light up a room, and her cooking was out of this world. I'm going to miss our late night Facebook live conversations. Until we meet again I love you and will miss you.
