You'd be so proud of the boys, Tristin and Tommy. Tommy got his uniform cleaned for you. He knows he better be squared away. Everything is taken care of for you. The family is helping a lot. You have some amazing friends. I'm looking forward to meeting them because for a day I can be a little closer to you. I get to hear your stories one more time. I'm so honored to be your sister and best friend. I'm gonna kick your butt though when I see you next. You know I love you right? My world will never be the same. I miss your face! Sis
