Noelle Marie Kuhoric

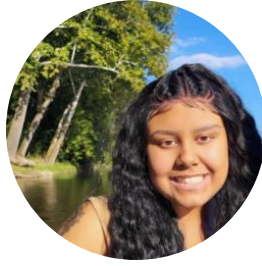

NOV 13, 2000 - FEB 12, 2022

It is with extreme sadness that we announce the untimely passing of our beloved Noelle Kuhoric. On February 12, 2022, at age 21, Noelle passed away after a long, courageous battle with cancer surrounded by loved ones who will honor her legacy by living life to the fullest just like she did

Noelle was a fun loving and free-spirited young lady who brought joy to everyone she encountered. She could light up a room with her beautiful smile and will be greatly missed by all who knew her. She is survived by her loving parents James and Bonnie Kuhoric of Seaford, Delaware; her biological mother Heather Kuhoric Forsythe; and her grandmother, Linda Keiffer of Connellsville, Pennsylvania.

Noelle shared a special bond with her sister, Kaitlyn and is survived by her siblings: Savanna and James Kuhoric and Lexi Pennman; her aunt, Stacey Hittle, husband David and family; her aunt Kelly Lawless and son Noah; and Uncle Jim Kuhoric and family.

Noelle had a zest for life and drive for success. She graduated from Seaford High School with the highest of honors, was the captain of the color guard, and business professionals of America student of the year. Noelle was very excited to gain admittance to the prestigious University of Virginia to pursue Nursing so she may help others through service. Although she was unable to accomplish that dream, she impacted the lives and hearts of many that knew her. Her kind and compassionate heart moved her to create “Noelle’s Knockout Foundation” which she envisioned to help immigrants in need by supplying food and necessities. Noelle gave freely of herself and always helped those in need.

There was a special place in Noelle’s heart for her boyfriend , Furukh Siddique of Rockville, Maryland. They spent countless hours together, vacationing, and enjoying each other. She always confided that he was the love of her life. Noelle loved her best friends Jed Pearson, Samaij Sanders, and Shamaya Young. She adored Devon “The Queen” who was a constant source of support and love.

I worked with her at Seaford Food Lion and she was making chicken wings in the microwave and she left them in the plastic container and it melted all over the chicken. We laughed at that for days and when the memory popped up on Fb - she gave a big smiley and a lol - she said she missed me and loved me! ❤️❤️❤️❤️

Noelle was such an amazing young lady! As her great aunt, I remember her calling me when she 7 or 8 years old. She was upset that her girlfriends were trying to push her out of their friend group because they played together all summer and she had not seen them for a few months. She asked me what should she do? I told her that she really did not have to do anything because they were going to have to deal with Karma. She knew right away what I was talking about. She asked me if that is where someone does something mean to another person so something bad comes back to them. We talked about what makes up a good friendship and how to tell if someone was your friend. She seemed satisfied and went on to talk about other subjects. Noelle was not only a very bright girl, she was also insightful and had a good heart. She will be missed.

Dear Kuhoric family: Please accept my deepest and sincere condolences. Noelle and I met during such an unfathomable time in both of our lives. I will miss you so much, but I know you will continue to watch over me and all of your pals. Sincerely, Mandy Krzysiak
