My Deepest and Heartfelt Sympathy to Linda and your Wonderful Family. My Heart is broken. Jim was truly one of the Most Incredible men that I have had the honor and pleasure to call my Co-Worker but more so to call my Wonderful Friend. 15 years together was a Blessing to me. Jim was such a Wonderful Engineer, in my 54 years at Saint-Gobain no one was as dedicated and kind and thoughtful and smart as Jim was. His co-workers and customers all loved and respected him. He knew how to explain everything in a meaningful way to everyone he worked with. He was admired. Nothing stopped him from his dedication to Saint-Gobain not even an accident on his way to work one day. I always said I was going to be the first one to read his Best Seller of his whole life and it would have been a best seller. I miss you Dear Friend. Until we are together in Heavenly Glory. God just gained a Very Special Angel. Jim will Forever be in my Heart. I Love You Linda and always will. Love and Forever Friendship, Elaine Weeden and Family
