I remember both Mr. and Mrs. Masten well. I was dating Steve while he was in the Marine Corps. As a matter of fact, this picture reminds me of him. Mr. and Mrs. Masten took me with them to visit Steve in Rhode Island after he was injured in an accident and I really thought a lot of all of them. I'm sorry to hear of Mr. Masten's passing and my prayers go out to all the family..Blessings to all from Mary Livingstone-Buller

We have always loved Ruby and Norwood. We were sorry to hear of Mr. Masten's passing. He always made us feel welcome whenever we were around him. He was a good man. Ruby and Norwood were a very happy couple. They had the perfect marriage as far as we are concerned. We will miss him.

Dad was a wonderful Father. He worked so hard to make sure that his Family was provided for. He was also dedicated to his Mother, his Aunts and any other elder Family member with needed care. He made certain to take in any pet from any Family who had passed away; he cared for those animals until the day they died.I used to tell both my Parents how wonderful they were. I'd say "if I walked into a store that sold Parents, I wouldn't have found anyone better than the Parents that God gave me"; Mom always blushed.Thank you Daddy! I know you're with our beloved Mom, Frances and Billy and all of your Family who predeceased you. I love you so very much!Eric
