Dearest Bud Everyone in the Milford Chemotherapy Unit is broken hearted for you and the family. Maggy was a special person with an aura of grace and peace and love. As soon as I would report to work I would immediately look for you and Maggy. I enjoyed every minute I was with you and Maggy. It was so obvious how much you two loved each other. And, you were so completely devoted to her. The two of you are proof that LOVE IS A MANY SPLENDORED THING. You both will be in my heart forever. Love, Rosie Babel
