# **Anthony Renaldo Munoz Sr.**

MAY 21, 1943 - JAN 21, 2024

**A**nthony Renaldo Munoz Sr., 80yrs old, of Seaford, DE, formerly from Midland, PA and Calcutta, OH, went home to be with the Lord on Sunday, January 21, 2024. Born on May 21, 1943, he was a son of the late Nicholas and Sophia (Trevino) Munoz.

Anthony served proudly in the United States Army Infantry Division 2nd Med in Korea. He was a fireman for 25 years combined, retired lieutenant from Midland and volunteered in Calcutta. Before retiring he was a security guard at the East Liverpool City Hospital and Nanticoke Hospital in Seaford. He also worked at Crucible Steel, J & L Steel, Whemco, and Penn Power.

In addition to his parents, Anthony was preceded in death by his brothers, Thomas N. Quintana Sr, Leo J. Quintana, Nicholas Munoz and Rudy Munoz, his sisters Margaret Quintana, Isabelle Justice, and Rose Smith.

Surviving him is his spouse of 58 years, Betty L Munoz, Seaford; daughter, Christina (Phil) Chester, Seaford; son, Anthony (Jeannie) R. Munoz Jr., Seaford; his beloved grandchildren: Shiloh Chester, Athena Sammons, Ayden, and Asher Munoz; two sisters, Tina (Will) Wical Lewes, Mona (Doug) Shrieves, Seaford, along with numerous nieces and nephews.

Papa, as he was affectionately known by his grandchildren, loved to spend time with his family. They were his top priority. He enjoyed helping his son do yard work and was always ready to organize anything he could get his hands on. He enjoyed going to the beach, getting Thrasher's Fries, sitting on the bench and "people watching" as he would call it. He supported his grandchildren in everything they did, cheering them on at numerous sporting events, riding to distant doctor's appointments and giving them advice on life. He is going to be missed by those he left behind but will live on in every one of his family members. Anybody who met Tony will be forever touched by his kind smile and funny stories.

To the Munoz family I'm very sad to hear this. We are neighbors for many years. I first meant Mr. Anthony while at Nanticoke ER. I was the only patient waiting at the time. Mr. Anthony says, " well didn't you choose the right time to come"? And we introduced ourselves an we ended up talking for two hours. By the time I finally was called back we knew each other's entire life stories. I told him "boy you can talk" he just busted with laughter and told me that people always told him that LOL. The last time I saw him walking down our hallway using his walker an we chatted, we hugged an said, "I love you". And I'm so glad I had the opportunity to receive his hug. He was a very sweet man, friend an neighbor. Who will be deeply missed!! R. I. P my friend love you!!

All my memories of Tony Sr are fond. He was always such a kind, gentle, thoughtful and loving man to everyone and especially his family. Although, I was only a young man between the ages of 17-20 when I spent a lot of time at the home of the Munoz family, I learned everything I needed to know about what kind of father I wanted to be someday when I would eventually have a family of my own. RIP Big Tony and someday I'll see ya on the other side. Betty, Christina and Tony Jr., you have my deepest sympathy! Love, Jeff Lilly & Family
