I met Sandra on the 1st day of 6th grade. She was quiet and shy back then. I introduced myself and we became fast friends. She was a dear friend ever since. I think about her often and I miss calling her. She used to tell me I was her first friend in Delaware and she'll love me forever for being kind to her. She was easy to be kind to. She's one of the sweetest people I've ever known. Rest easy my friend until we meet again.
