Angel was my best friend for 54 years. Not many people can say this. What a blessing We were sisters and raised our families together. We had many good time taking the kids camping to staying at the beach to playing baseball. We always made memories and had plenty to laugh about. Raising three sons wasn't easy working in sales demanding job! But we work hard bought our homes and cars around the same time. Our kids was what we lived for. Angel will always be remembered for her kindness and compassionate way with a gentle soul. Her unforgettable laughter. She will always be Aunt Angel and loved by my kids grandkids and family. It gives us comfort in knowing she is in the arms of Jesus. Rest in peace God's knows we will surely miss you till we see each other again I Love you.

Angels laughter and just her pleasant nature every time I saw her, which was a lot as I'm best friends with her best friends daughter, autumn. I'm so sorry for the families loss and I pray they can find comfort with her passing. I know I will truly miss seeing this delightful soul. Rest in peace
